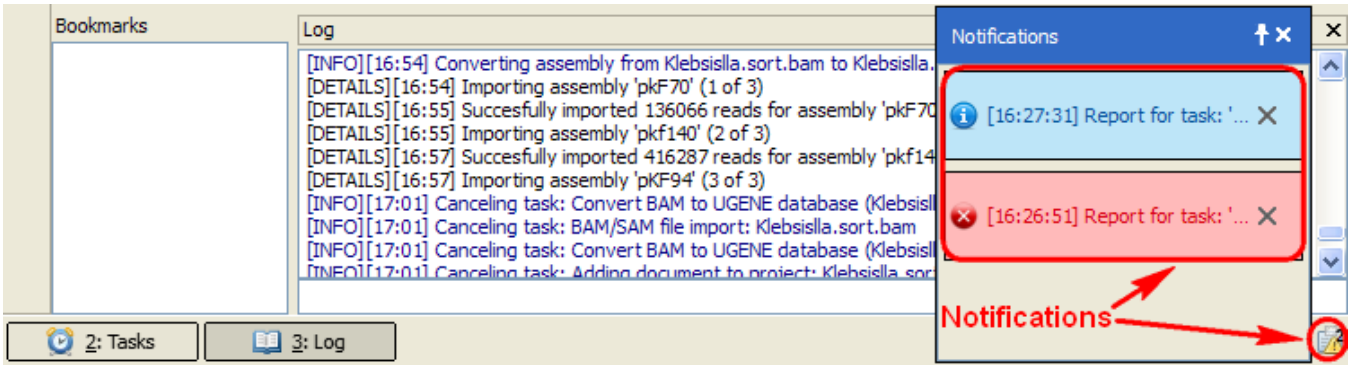
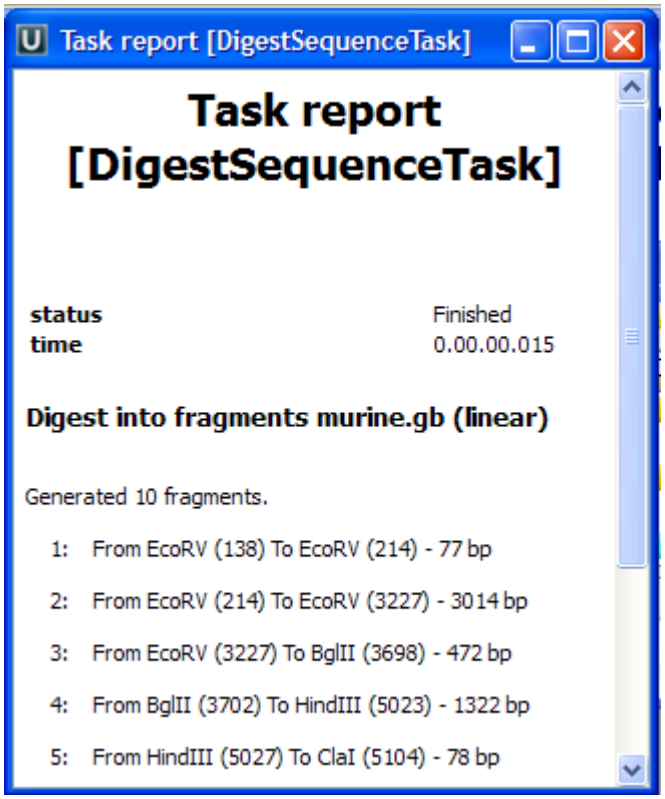
Notifications

The *Notifications* component shows notifications for tasks reports.



If a task has finished without errors, the notification is blue. If an error has occured during the task execution, the notification is red. If a warning has occured during the task execution, the notification is yellow.

To open a task report, click on the corresponding notification. See an example of a task report below:



To remove a notification from the *Notifications* popup window, click the notification cross button.

Note that you can click on the clip button of the *Notifications* popup window to show the window always on top.
