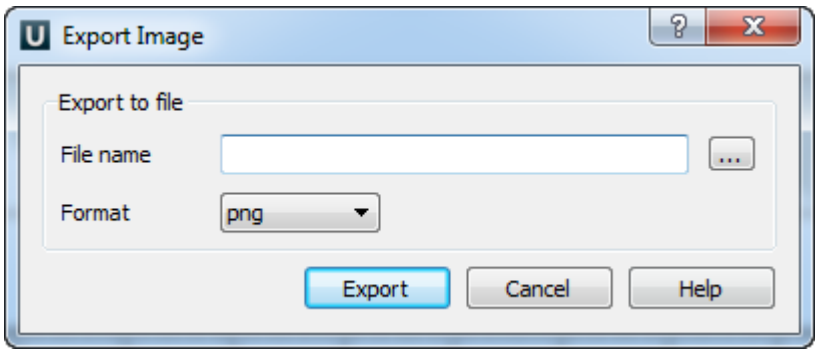
Exporting Assembly as Image

To export the visible part of the assembly as an image, select either the *Actions* *Export as image* item in the main menu or the following button on the toolbar:

The *Export Image* dialog appears:



In the dialog you can select the image file name and its format (bmp, jpeg, png, etc.). For some file formats the *Quality* parameter also becomes available.

When the parameters are set click the *OK* button.
