# Creating New Ruler

You can create any number of additional rulers by clicking the *Ruler  Create new ruler* context menu item:

The following dialog will appear:

The new ruler will be shown right above the default one:

mat_peptide

mat_peptide (

mat_peptid)

mat peptide

mat peptide

misc_feature (1)

**Repeat ruler** -2 918   -2000   -1500   -1000   -500   0   500   1k   1.5k   2k   2.5k   3k   3 719

1   500   1k   1.5k   2k   2.5k   3k   3.5k   4k   4.5k   5k   5.5k   6k   6.5k   7k   7 438

**New ruler with a custom offset**
