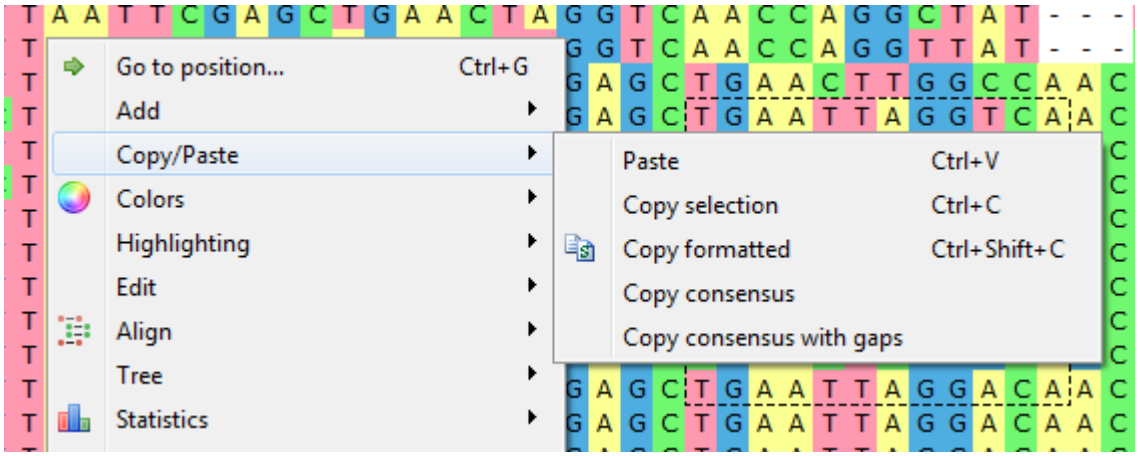
Copying Sequences

To copy one or several sequences do the following:

- Select the sequences in the *Sequence list* area;
- Select the *Copy/Paste Copy selection* context menu item in the *Sequence area* or use hot key combination. Note, that if you activate context menu in the *Sequence list* area you will lose your current selection.



To copy consensus sequence use the *Copy/Paste Copy consensus* item. To copy consensus with gaps use the corresponding menu item.
