Exporting Annotations

To export annotation(s) open the *Sequence View* with a document that contains annotations. Select a single or several annotations or annotation groups in the *Annotation editor*, select the *Export Export annotations* context menu item.

Also, you can export annotation(s) from the *Project View* by the *Export Export annotations* context menu item.

The *Export Annotations* dialog will appear:

Here you can add the document to project, set the path to the file, choose the file format and optionally for CSV format you can save the sequence along with annotations and save sequence names.
